Wadding		50cm x 120cm / 20" x 46"		

\* If preferred, one fabric could be used for the five central framed squares. In that case, 1/4 yard / 15cm of that one fabric would be needed. Five 5 1/2" squares could be cut from this one strip.

\*\* See cutting instructions further down for more information. NB: if you are also making the wall hanging, you could use the spare strips left over from that project for this one.

### NOTES

- Seams are 1/4" throughout unless stated otherwise.
- Read pattern in full before starting.
- Press fabrics before cutting and after each seam.
- WOF = width of fabric - a strip of fabric cut from selvedge to selvedge
- LOF = length of fabric - a strip of fabric cut parallel to the selvedges
- RST = right sides together / WST = wrong sides together

### The Wall Hanging- Cutting the fabrics

1. Cut the fabrics as shown in the fabric requirements table.
2. Cut the striped fabric (4/1478) into eight LOF strips by cutting down the middle of the baubles as shown by the black dashed lines in the cutting image below. This will give four strips with red/beige reindeer on a cream background and four strips with cream reindeer on a red/grey background. For the wall hanging you will use the white reindeer on the red background.  
**NB:** if you are also making the table runner, you can use the red reindeer on cream background strips left over from this project for that.

- Cut two 30" lengths and two 50" lengths from those strips.

### **Making the Wall Hanging top**

- Trim the panel to 23 ½" x 43 ½".
- Sash the sides of the panel using the 1 ½" x 43 ½" strips then the top and bottom with the 1 ½" x 25 ½" strips of cream weave fabric (1473 Q).
- Sash the sides of the quilt top using the ¾" x 45 ½" strips then the top and bottom with the ¾" x 26" strips of red/grey weave fabric (1473 R/S).
- Sash the sides of the quilt top using the 2 ½" x 46" strips then the top and bottom with the 2 ½" x 30" strips of cream weave fabric (1473 Q).

**NB:** for steps 5 to 8, see the assembly diagram opposite.

- Sash the sides of the quilt top using the ¾" x 50" strips of red/beige weave fabric (1473R/S) then again using the 4" x 50" strips of reindeer stripe fabric (4/1478 R/S).
- Sash the top and bottom of the quilt top using the ¾" x 37 ½" strips of red/beige weave fabric (1473R/S).
- Make the two end panels by sashing two of the 4" squares of snowflake fabric (4/1480 R7/S6) to each end of one of the 4" x 30" strips of reindeer stripe fabric (4/1478 R/S) using two ¾" x 4" strips of red/beige weave fabric (1473R/S).
- Sew the two end panels to the top and bottom of the quilt top.
- Sash the sides of the quilt top using the ¾" x 57 ½" strips then the top and bottom with the ¾" x 38" strips of red/beige weave fabric (1473 R/S).
- To finish the quilt top, sash the sides using the 2 ½" x 58" strips then the top and bottom with the 2 ½" x 42" strips of cream weave fabric (1473 Q).

## **Finishing the Wall Hanging**

1. Make and baste a quilt sandwich using the backing fabric, batting and quilt top and quilt as desired.
2. Sew the binding fabric strips end to end using diagonal or straight seams as preferred and fold in half along the length WST to make a double fold binding.
3. Bind to finish, taking care to mitre the corners.

## **The Table Runner - Cutting the fabrics**

1. Cut the fabrics as shown in the fabric requirements table.
2. Cut the striped fabric (4/1478) into eight LOF strips by cutting down the middle of the baubles as shown by the black dashed lines in the cutting image within the wall hanging pattern. This will give four strips with red/beige reindeer on a cream background and four strips with cream reindeer on a red/beige background. For the table runner you will use the red/beige reindeer on the cream background.

**NB:** if you are also making the wall hanging, you can use the strips left over from that project for this one.

3. Cut two 8" lengths and two 34" lengths from those strips.

## **Making the Table Runner top**

1. Sash the sides of each of the 5 ½" squares using the ¾" x 5 ½" strips then the top and bottom with the ¾ x 6" strips of red/beige weave fabric (1473 R/S).
2. Sash the five framed squares together using four 1 ½" x 6" strips of cream weave fabric (1473 Q). Sew the two remaining strips to each end of this piece.

NB: steps 3 to 6 are pieced in the same way as steps 5 to 8 in the wall hanging - see the assembly diagram within that pattern for guidance.

3. Sash the sides of the table runner top using the ¾" x 34" strips of red/beige weave fabric (1473R/S) then again using the 4" x 34" strips of reindeer stripe fabric (4/1478 R/S).
4. Sash the top and bottom of the quilt top using the ¾" x 15 ½" strips of red/beige weave fabric (1473R/S).
5. Make the two end panels by sashing two of the 4" squares of snowflake fabric (4/1480 R7/S6) to each end of one of the 4" x 8" strips of reindeer stripe fabric (4/1478 R/S) using two ¾" x 4" strips of red/beige weave fabric (1473R/S).
6. Sew the two end panels to the top and bottom of the table runner top.

## **Finishing the Table Runner**

1. Make and baste a quilt sandwich using the backing fabric, batting and table runner top and quilt as desired.
2. Sew the binding fabric strips end to end using diagonal or straight seams as preferred and fold in half along the length WST to make a double fold binding.
3. Bind to finish, taking care to mitre the corners.
