Notes:

- Read the pattern in full before starting.
- ¼" seams are used throughout except where stated otherwise.
- Press after each seam, pressing seams open or to one side as preferred.
- WOF - width of fabric - a strip of fabric cut from selvedge to selvedge.
- Make sure to visit <http://www.makoweruk.com/projects/> to ensure you are working from the most up-to-date version of the pattern.

Making the wall hanging

1. Cut the fabrics as set out in the fabric requirements schedule.
2. You will make forty-seven green snowmen / santa scatter quarter square triangles (QSTs) and forty-seven red icons and blue mini multi stars QSTs.
3. To make each pair of QSTs, pair two of the 4 ½" squares together, right sides together. Mark a diagonal line along the back of one of the squares and sew two seam lines ¼" each side of that line (fig 1).
4. Cut in half and trim off corners (fig 2).

Fig 1-5

5. Press open (fig 3).
6. Place two of these half square triangles right sides together but with the prints in opposition to each other (eg green facing white print and white facing green print). Draw a diagonal line on the back of one and sew line $\frac{1}{4}$ " either side of the line (fig 4).
7. Trim corners and press open to finish the HST unit (fig 5).
8. Sew the QSTs into five rows of fourteen and eight rows of three, alternating colours of QSTs as shown in the main quilt image. NB: four of the rows of three should have green/white QSTs on the ends and the other four should have red/blue QSTs on the ends.
9. Sew the short strips of QSTS to both ends of the $9\frac{1}{2}$ " x $36\frac{1}{2}$ " white mini multi stars strips, taking care to follow the layout in the main quilt image.
10. Join the four rows together with the longer strips of QSTs again taking care to follow the layout in the main quilt image.
11. Sash the sides of this piece with the $\frac{3}{4}$ " x $51\frac{1}{2}$ " red snowmen strips then with the $3\frac{3}{4}$ " x $51\frac{1}{2}$ " scenic strips.
12. Sash the top and bottom of this piece with the $\frac{3}{4}$ " x $49\frac{1}{2}$ " red snowmen strips.
13. Sew $\frac{3}{4}$ " x $3\frac{3}{4}$ " red snowmen strips to each end of the $3\frac{3}{4}$ " x $42\frac{1}{2}$ " strips. Sew labels to each end of these.
14. Sew these two pieces to the top and bottom of the piece made at 12 above.

Quilting and binding the wall hanging

1. Sew the binding strips end to end using diagonal or straight seams as preferred and press wrong sides together along the length to make a double fold binding.
2. Make a quilt sandwich, basting together the quilt back, the wadding and the quilt top.
3. Quilt as desired then trim the quilt square, removing excess wadding and backing. We quilted a diagonal cross hatch of lines approximately 2" apart using a cream 40wt Aurifil thread.
4. Bind the quilt taking care to mitre the corners.

Adding the stockings

1. Place and pin the stocking panel rights sides together with the 24" WOF strip of white mini multi stars, placing one or two pins in each stocking. Roughly cut out each stocking, cutting the mini multi stars fabric at the same time.
2. Sew slowly and carefully around the outside of each stocking leaving the top flat line unsewn.
3. Trim to the printed dashed seam allowance line, clip curves, turn inside out and press.
4. Press then top stitch the top line so that it is fully closed.
5. Top stitch each stocking to the wall hanging, following the layout in the main quilt image and leaving the top of the stockings unstitched so that treats can be slipped inside.
