About The Neighborhood

I'm inspired by the colorful row houses in my Washington, DC, neighborhood. There's a street near me where all the houses are painted a different color — turquoise, pink, bright yellow and orange. It's such a happy street and I wanted to bring that joyful feel to my fabric designs. — *Claudine Hellmuth*

The Neighborhood Quilt

Making the Quilt

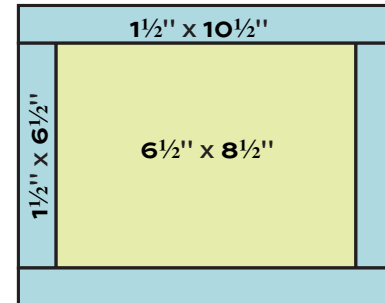

1. Yardage is sufficient to cut Fabric B borders either lengthwise or crosswise. If you cut borders as instructed in the cutting above, the result will look like the quilt photograph with the birds flying upright in all 4 pink borders. If you cut the Fabric B borders all crosswise, then the birds will be on their sides in the side borders.

Be careful to fussy-cut Fabric C borders from the same portion of the stripe so they are alike and all $8\frac{1}{2}$ " wide. Fussy-cut the patches from Fabric A to make the best use of the house print.

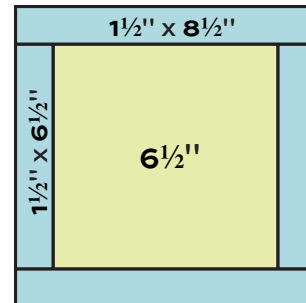

2. Referring to the block diagrams, sew the appropriate Fabric D and Fabric E rectangles to Fabric A squares and rectangles. Make the number of blocks shown.
3. Referring to the Quilt Diagram, sew a Fabric B $4\frac{1}{2}$ " x $6\frac{1}{2}$ " rectangle between 2 Block X's. Sew a Fabric B $3\frac{1}{2}$ " x $6\frac{1}{2}$ " rectangle on each end to make Row 1. Repeat to make an identical Row 4. Sew a Fabric B $4\frac{1}{2}$ " x $8\frac{1}{2}$ " rectangle between a Block Y and a Block Z to make Row 2. Switch the Block Y and Block Z placement to make Row 3.
4. Join the pieced rows with 3 Fabric F sashes in the order shown.
5. Sew long Fabric F borders to the sides. Sew short Fabric F borders to the top and bottom. Repeat this with Fabric B borders.
6. Sew long Fabric C borders to the sides, having the green stripe touching the quilt. Sew Border Blocks to ends of remaining Fabric C borders, and sew to the top and bottom.

Block X – Make 4

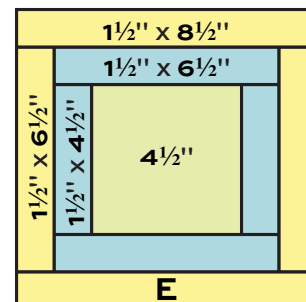

Block Y – Make 2

Block Z – Make 2

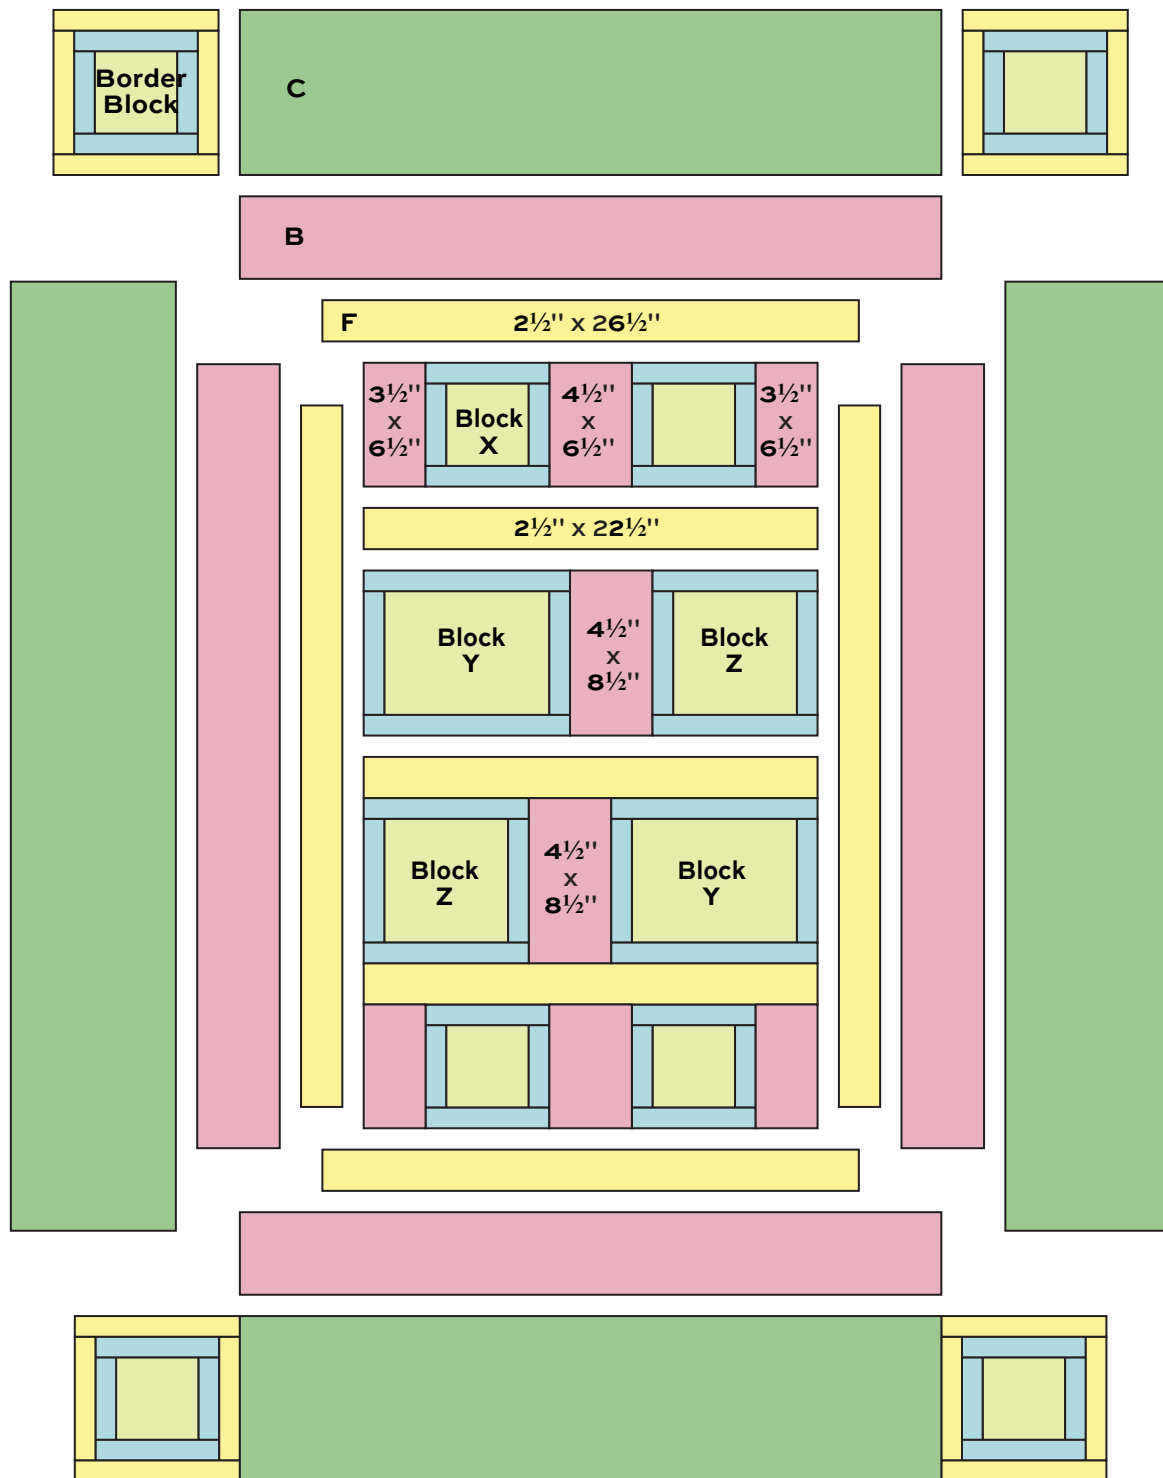

Finishing the Quilt

7. Layer the quilt with batting and backing and baste. Quilt in the ditch around borders and block patches. Quilt around the printed motifs in the blocks and borders. Bind to finish the quilt.

Border Block – Make 4
